

Dr. Joe Malone

holds a Ph.D. in Health and Human Performance with a minor in neuropsychology and a specialization in women's health and sexual wellness.

Dr. Joe Malone taught at Middle Tennessee State University from 2005-2017 and has guest lectured at Vanderbilt and Princeton as well as other major universities.

Author of Battles of the Sexes
and founder of Sex IQ,
<https://www.sexiq.org/>

Dr. Joe addresses the tough social topic of sex in our culture and lives through the lens of sexual wellness, z integrity, and science.

In modern culture, sexual views and opinions have been weaponized to push cultural shifts and agendas. Dr. Joe equips his audiences to fight back with information and facts based on science.

Dr. Joe brings over 30 years of expertise in the education and speaking industries addressing the tough topics of sexual health and wellness.

Joe's counter cultural research, findings, and teaching help inform and empower men and women with understanding on sex, how it has been used in culture as a weapon, and how the right perspective on sex will lead to a healthier life physically, emotionally, and spiritually.

Dr. Joe has prepared several talks to address female, male, and mixed audiences. Tailored topic specific talks available upon request.

Live speaking fees include all expenses.
Additional travel fee assessed for events booked less than 60 days out.

**“Sexual wellness
is sexual integrity,
and the science proves it.”**

WHAT PEOPLE ARE SAYING:

“Almost three decades ago, I met Joe Malone and quickly came to appreciate his work and expertise as a personal trainer. All these years later, I respect and appreciate even more his consistent commitment to improving the health and well-being of individuals, especially young people.” – **Carol Etherington, Past President Doctors Without Borders, Associate Professor Emerita, Vanderbilt University School of Nursing, Vanderbilt Institute for Global Health and Trust Factor**
